

# NAIROBI INTERNATIONAL CONVENTION ON THE REMOVAL OF WRECKS 2007

## Contracting States, notifications and LLMC reservations (As at 31 July 2017)

This table lists the States where the Wreck Removal Convention is in force, showing those which have given notification under Art. 3(2) of the Convention to extend the Convention area inwards to include the territory and territorial sea, and those where the 1976 Limitation Convention (LLMC) and/or 1996 LLMC Protocol have been ratified with a reservation of the right to legislate for unlimited liability in respect of wreck removal. Further details of such reservations are provided in a separate table.
